NONWOVENS
AND
TECHNICAL TEXTILES INNOVATION

The Largest Exhibition **Of Its Kind In The Region**

One Source, Infinite Opportunities

Having developed into one of the largest and well established garment and textile machinery and accessories exhibitions in South Asia, the 7th IGATEX Pakistan 2012 will take place at Lahore Expo Centre from 11 to 14 October, 2012.

Located at the crossroads of Asia, Pakistan has become a focal point for investors and has in recent years, gained recognition as an important market among other textile manufacturing countries of the region. Considered as one of the top 10 textile exporting countries of the world, Pakistan is the 4th largest producer of cotton yarn and cloth, and the 3rd largest player in Asia with a spinning capacity of 5% of total world production. It also ranks 2nd in the export of yarn, 3rd in the export of cloth and contributes 3% to the total textile trade of the world.

IGATEX Pakistan 2012 would be a professionally enriching experience for textile machinery manufacturers providing them an opportunity to directly make their equipment to quality buyers and decision makers in an exceeding competitive global business environment. The show will include stand alone demonstrations of various cutting edge industry tools & technology.

Show **Highlights**

Technical Seminars

An added opportunity for exhibitors to present or demonstrate their latest technology and product innovation in greater depth to buyers and visitors from the local garment factories and textile mills.

Business to Business Match-Making

Exhibitors and buyers get to choose who they wish to meet with before the exhibition and maximise networking opportunities through the online Business Match-Making service. Both buyers and exhibitors are guaranteed of an efficient time at the exhibition to meet, interact and do business with people who matter.

Regional Visitors / Buyers Promotions

Targeted publicity and promotion programme will be implemented to attract attention and participation from the international and local visitors. Exhibitors get maximum mileage from their participation.

Messages

MR. ABBAS MOORAJ (PRESIDENT)
TEXTILE MACHINERY MANUFACTURERS & SUPPLIER'S ASSOCIATION OF PAKISTAN (TEXMAP)

It is indeed heartening to note that FAKT EXHIBITIONS (Pvt) Ltd. is playing an important role in order to provide trade opportunities through out the world. I hope that by holding such exhibition will benefit Pakistan's textile industry immensely. IGATEX plays an important role; and invites latest technology to Pakistan thereby improving better interaction between foreign and domestic companies. I wish IGATEX PAKISTAN 2012 all the very best!

MR. KM KHALID (SECRETARY GENERAL)
TEXTILE MACHINERY MANUFACTURERS AND SUPPLIER ASSOCIATION OF PAKISTAN (TEXMAP)

IGATEX Pakistan is the platform to significantly extend participation from the local and international textile machinery sector. I wish all success to the concerned management organizing the International Exhibition of Garments & Textile Machinery & to their constant efforts to make the Exhibition successful for Business Community of Pakistan so that they may be able to contribute towards development and growth of Pakistan.

A Glance At Pakistan's Garment & Textile Industry

GDP	9 to 10% of Total GDP
Exports	53% of Total Exports
Imports	16.47% of Total Machinery Imported (US \$ 450.58 Million)
Employment	38% of the Manufacturing Labour Force
Investment	30.38% of Total Investment
Share in International Textile Trade	5% in the Total Textile Trade
Contribution to Value Addition	27% of Industrial Value Addition
Technology	Medium to High
Manufacturing	46% of Total Manufacturing
Investment 2005 - 06	Rs. 140 Billion
Production of Cotton	15 Million Bales

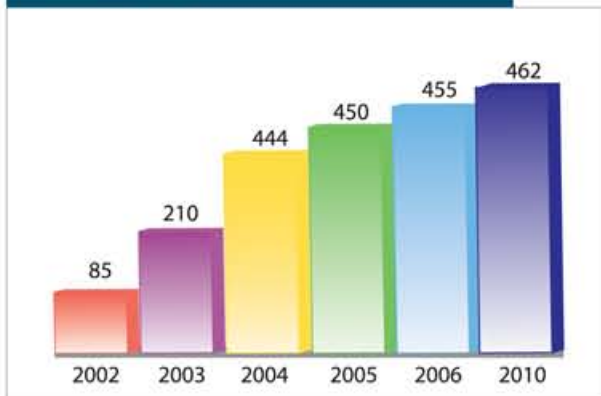

Sector Structure

THE NEWS (23 June 2010)

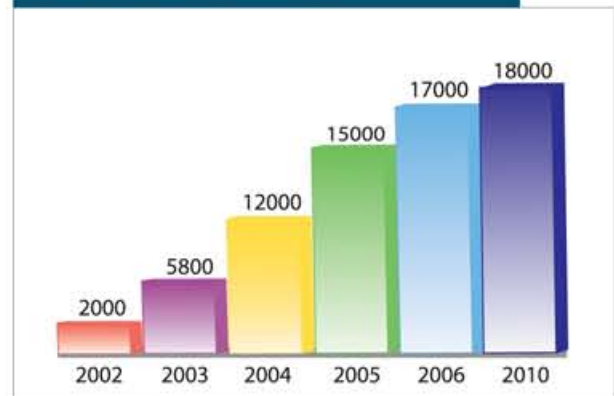

SECTOR	NO. OF UNITS	SIZE / PRODUCTION
GINING	1221	5488 Saws
SPINNING	442	11,266 Million Spindles 196,000 Rotors
COMPOSITE	50	7899 Looms
WEAVING	124	27,900 Shuttleless Looms
	425	3,60,000 Power Looms
FINISHING	Large 625 Small 10	4,60,000 Million Sq. Meters
GARMENT	800	160,000 Industrial Sewing Machines
	5,000	450,000 Domestic Sewing Machines
TERRY TOWELS	800	700 Shuttleless Looms 10,000 Conventional Looms
KNITWEAR	600	18000 Knitting Machines
CANVAS		2000 Looms 300,000 Industrial Looms
